A R T I S T

ABOUT ME

Residing in the Driftless area of Wisconsin, I sculpt using discarded and forgotten wooden materials. I am fascinated by the pattern and connection between all things and my work becomes a playful analysis of such. An artist since childhood, I was knocked off course for a good percentage of my life. I did, however, seek positions that orbited the art world. I am now an accredited full-time artist of the Wisconsin Visual Artists.
